Pre-k Guidance

We have been advised by the New York City DOE Early Childhood Policy team that Pre-k will remain the same and there are no changes at this time. Should any changes arise, we will follow up with an additional email.

Eating, Snacking & Mask Guidelines:

- All students and staff are required to wear masks at all times
- while eating, students must be at least 6ft apart
- Classes will be separated to eat - half of the students will eat in the classroom and the other half of the class will eat in the gym/lunchroom
- Tables will be sanitized between lunch periods
- Teachers will establish a rotating schedule of students eating in the gym/lunchroom

ARRIVAL and DISMISSAL

Arrival will be staggered between three groups in an effort to alleviate congestion now that the daily attendance will be increased. Please adhere to arrival and dismissal times as closely as possible.

COVID-19 Health Guidance & Safety

We will continue to follow all health and safety protocols as keeping our students, families and entire HCCS community safe is our number one priority. We ask that families continue to follow the COVID-19 health guidelines as well; wear masks, complete daily health screening and stay home if sick. Teachers will spend some time going over the safety and lunch protocols and discuss the importance of mask wearing, washing/sanitizing hands and using the up/down staircase correctly. **Please review our Reopening Plan updated on April 8, 2021 for additional details, guidance and school closures at www.hccs-nys.org**

Continuation of Hybrid Learning – Optional

Any families who wish to continue learning using the hybrid model must email administration.
