

HCCS COVID-19 School Closure Policy

Effective April 8, 2021, Hellenic Classical Charter Schools will follow the closure requirements outlined below when handling COVID-19 cases in the HCCS school buildings:

- **In the event of 1 to 3 confirmed COVID-19 cases, whether related or unrelated, in a HCCS school building within the same 14-day period:**
 - For each case, HCCS will conduct contact tracing to determine whether any HCCS student, staff or faculty may have been in close contact with the COVID-19 positive individual in the 48 hours prior to such individual testing positive or first exhibiting COVID-19 symptoms.
 - HCCS will instruct any individuals who may have had close contact with the COVID-19 positive individual including siblings to remain away from the school building and self-quarantine for 10 days from the last date of exposure.
 - In the event that the COVID-19 positive case is a HCCS student, HCCS will instruct all students in the COVID-19 positive student's cohort, and any HCCS faculty/staff teaching such cohort, to remain away from the school building and transition to remote learning for 10 days from the last date of exposure. In the event that the COVID-19 positive case is a HCCS faculty/staff member, HCCS will instruct all students that were taught by the COVID-19 positive faculty/staff member to remain away from the school building and transition to remote learning for 10 days from the last date of exposure. Any siblings of students who have been instructed to remain away from the school building will also be instructed to remain away from the school building and transition to remote learning for the same 10 day time period.
 - At any time, in HCCS's sole discretion, based on HCCS's contact tracing and the extent of potential close contact exposure in the HCCS community associated with any COVID-19 case, HCCS may elect to close the HCCS school building for in-person learning for a period of 10 school days. During any such school closure, HCCS students assigned to that school building will be required to participate in remote learning.

- **In the event of 4 confirmed and unrelated COVID-19 cases in a HCCS school building within the same 14-day period:**
 - HCCS will close the HCCS school building for in-person learning for a period of 10 school days. During any such school closure, HCCS students assigned to that school building will be required to participate in remote learning.
