- Students in grades 5, 6, 7, and 8 will be dismissed at 3:40 pm from the side parking exit and down the ramp onto 19th street (which is inactive during dismissal times).

Early pick-up: Parents are strongly discouraged from picking up their child(ren) early. It is very disruptive to the classroom environment and learning. If there is an emergency and you **must** pick your child early please contact the school office via email (officeps@hccs-nys.org) or telephone before arriving.

Absences & Lateness

Parents must contact the school at 718-499-0957 when your child is absent. A doctor's note is required after two (2) days of absences and must be submitted to your child's teacher when your child returns to school. As a reminder to all parents, school begins at 8:05 am. Classroom instruction begins at 8:05 am **sharp**. Students arriving after 8:05 am are late. School bus delays are taken into consideration. An attendance rate of 95% or better for the entire duration of the school year is part of our promotional policy. *Please be advised: Family vacations during school days are NOT excused absences. Please submit a formal letter to the principal, Mrs. Caban.

Parent Contact Information (Blue Card)

Please ensure that all information on the “Blue Card”, which is the emergency home contact card, is current and up-to-date. It is the parents/guardian’s responsibility to provide the school with all working telephone numbers.

Please note: Your child (ren) will not be released to an individual who is not listed on the Blue Card and/or under the age of 18 years old.

Parent Email Communication

Our school has gone “GREEN” with its correspondence to parents/guardians. If you have an email address, please verify your email address with our Director of Community and Engagement, Mrs. Dena Capetanakis at dcapetanakis@hccs-nys.org , to ensure you receive all electronic correspondence. Also, please make sure to check the school’s website at www.hccs-nys.org for up to date information.

Breakfast is available for all students beginning at 7:45am. Pre-K students will be offered beginning at 8:15am in their classroom.

Students will have lunch at the following times:

Lunch

School lunch is free for all NYC public school students, including charter schools. Each family must complete a school food application regardless of participation in the school food program. HCCS wants 100% completion of the school food applications because our Title 1 funding is based on percentage of completion. Once each class has 100% participation, that class will be treated to ice cream/ices.

Please note - school meals are provided by the Office of School Food Nutrition Services (OSCNS). Our best practice is to share the school food menu monthly with families. Please note, any discrepancies between meals served and meals indicated on the menu are out of HCCS’s control.

New York City Schools Account (NYCSA) Activation Code

As a New York City charter school, each family at Hellenic Classical Charter Schools (HCCS) will receive a unique NYC Schols Account (NYCSA) Activation Code. This code allows parents/guardians to securely access their child’s academic test scores and other important information, including bus transportation, throughout their academic schooling continuing into high school via the NYCSA portal.

Important Reminders:

- Keep your activation code safe and private. Do not share it outside your household.
- Instructions on how to activate your account will be provided with your code.
- If you misplace your activation code or need assistance, please contact the school’s main office.

We strongly encourage all families to activate their NYCSA account, as it provides valuable real-time access to your child’s educational progress.

If you already have an account, you will not be receiving a letter from HCCS as you are already registered. Please use the creation code previously issued.

Birthday Celebrations

All birthday celebrations must be scheduled with the classroom teacher at least 48 hours prior to the event so that proper accommodations can be made to minimize classroom disruptions. Please note, HCCS is a NUT FREE school. In addition to being a NUT FREE school, several students in the school also have dairy, gluten and/or other allergies, so please make sure to check with your child/ren's teacher about any party goods being brought to school for birthday celebrations. Goody bags are subject to the same criteria - no nuts, etc.

Here are some helpful school-wide guidelines for families:

- ALL students can dress down for their birthday! If your child's birthday falls on a weekend or holiday, they can dress down on the Friday before or Monday after your child's birthday.
- ONLY individually pre-packaged drinks and single serve, prepackaged chips or baked goods are allowed. Please, no birthday cakes or balloons will be allowed.
- ALL food items (cupcakes, cookies, etc.) must be NUT FREE and clearly state SCHOOL SAFE. This includes the items in the goody bags - they must be NUT FREE as well.
- Siblings are not allowed to attend classroom birthday celebrations, regardless of the birthday child's grade. Please note, families cannot sign out siblings from school to attend a classroom celebration during instructional class time.

School Purchased Materials (Technology, Textbooks, Workbooks, Library Books)

All technology, textbooks and library books distributed to students will be inventoried and maintained by the classroom or subject area teacher. Students ARE responsible for the textbooks and workbooks. If devices or library books are lost or stolen, the parents will be charged to replace the lost items. Parent/Guardian Emails

We will do our best to respond to all parent/guardian emails within 24 to 48 hours excluding weekends and holidays.

Greek Independence Day Parade Participation

This year, the parade is on Sunday, April 26, 2026, and transportation will be provided.

Department of Health (DOH) School Nurse

We have a full time DOH school nurse at our school. Students requiring nursing services and/or medication must call Ms. Daniel at 718-965-1267 and/or the main office for further information.

Inclement Weather

When severe weather creates hazardous conditions, the regular school schedule may be suspended to ensure students' safety. HCCS will follow the NYC Department of Education's policy for school closings and school delays which is to transfer to remote instruction. Please refer to the school's Emergency Remote Instruction Plan (ERI) located on the schools' website at hccs-nys.org.

It is the parent's/guardian's responsibility to monitor news reports via television or radio stations. When there is an authorized citywide school closing or delayed school opening, the following will be cancelled: all field trips, all after-school programs, bus transportation and school food services.

By 6:00 am, the decision is announced on the 311 information line, on the Department of Education's website home page (<http://www.nycenet.edu>), the following radio stations in the city: WINS (1010 AM), WCBS (880 AM), WABC (770 AM), WLIB (1190 AM), WADO (1280 AM), WBLS (107.5 FM), WNYE (91.5 FM), and the following television stations: WCBS (Channel 2), WNBC (Channel 4), WNYW (Fox Channel 5), WABC (Channel 7), WNYE (Channel 25), Univision Channel 41 and NY1.

Library Time

Students will have library time on Tuesday, Wednesday & Thursday. Our school librarian, Mrs. Stella Papsmiris will be able to assist our students. We strongly promote for our students to visit the local Brooklyn Public Library branch and apply for a library card.

Chess Fridays (Grades K-5)

Friday is the dedicated Chess Day at HCCS. HCCS and the PTA are partners in sponsoring this great program whereby our students receive chess instruction during the school year. Chess will be under the direction of Mr. Ethan Schapira (eschapira@hccs-nys.org).

Health, Severe Allergies & Safety Best Practices

At HCCS, our most important concern is to ensure the health and safety of everyone in our schools, children, staff and our families. Our goal is to keep our HCCS community safe.

For a comprehensive review of the New York State Department of Health and the New York State Education Department policies on allergies, please click on the link below:

Discipline Code/Grievance Policy

To ensure that an environment is created where teaching and learning can flourish, Hellenic Classical Charter Schools have developed a series of rules that address proper student behavior within the school and while engaged in school activities, as well as a student rights and responsibilities. Further, the school has also established a series of rules that address proper faculty and visitor behavior while on school premise and/or while engaged in school activities, as well as a Code of Conduct.

Student Threats: Please be advised that in the event the school finds a student threatened or engaged in physical harm on another student, violence toward the school or self-harm, the school within its sole discretion and judgment may temporarily remove the student from school property until it receives a note from a medical provider stating the student no longer poses a threat to themselves or others.

The complete HCCS Discipline Code and the Grievance Policy are available in the main office, on our school's web site and for your convenience in appendix of the parent/student handbook.

Electronic Devices, Jewelry & Eyeglasses

All non-educational electronic devices (i.e. cell phones, tablets, iPods, PSPs, smart watches, flash drives) are NOT allowed on school premises. **We are not responsible should any of these devices are lost or stolen.** Should your child need to contact you during the school day, they must get permission from their teacher and then call from the main office telephone. If an electronic device is taken from the possession of your child, it will only be returned to a parent/guardian.

For your child (ren) safety, we ask that your child not wear jewelry or watches during gym or physical activities. We recommend your child wear sports glasses during physical education classes. **We will not be responsible for any broken glasses or jewelry.**

Evacuation Site

In the event of an emergency, the Hellenic Classical Charter School will evacuate to the Prospect Park YMCA located at 357 9th Street, between 5th & 6th Avenues.

Political Statements

Hellenic Classical Charter Schools remain nonpartisan and focused on our students' education and well-being. The school will not issue political statements or commentary to families unless we are formally advised or required to do so by our authorizers. All school communications will continue to reflect our mission and commitment to a positive and inclusive learning environment.

Bus Transportation

Students in grades K–6 may be eligible for bus transportation through the Office of Pupil Transportation. Eligibility depends on several factors, such as the student's grade level, the walking distance between home and school, and specific transportation guidelines set by the Office of Pupil Transportation.

Student Absence & Lateness Policy

September 2025

Dear Parents/Guardians,

Attendance is required for public school students. New York City students are required to attend school on a full-time basis. 95% attendance is one of the requirements for promotion to the next grade.

Attendance data will be recorded daily. We will continue to follow the HCCS Attendance Policy. 95% attendance is one of the requirements for promotion to the next grade.

Parents are expected to submit a note explaining each absence. Notes from a doctor or a health care professional should be provided in case of extended or frequent absence due to illness. If your child is absent from school for reasons other than illness, documentation of the reason for the absence (for example, a court order) should be presented to the school.

Please be reminded that you must call HCCS at 718.499.0957 when your child is absent. Kindly leave your child's name, class, and date of absence on the answering machine. You should also expect a phone call from our office.

Students arriving after 8:05 am are considered late for school. Bus delays are always taken into consideration.

As you know, children that have 100% attendance receive special recognition in June. Classes that have 100% attendance receive daily recognition.

Please do not plan vacations when school is in session. Your child will miss valuable instruction time.

Family Handbook Overview Policies & Procedures

Cell Phone Policy

To help our students stay focused, safe, and connected to learning - not their screens - Hellenic Classical Charter Schools (Park Slope & Staten Island) will follow the new NYS law that limits internet-enabled device use during the school day.

Here's what you need to know:

What's Not Allowed

Students may not use personal "internet enabled devices" (like smartphones, smart watches, smart glasses, tablets, etc.) on school grounds from the start to the end of the school day—this includes all class time, lunch, recess, and hallway transitions.

Exceptions

Students may only use their personal internet-enabled devices during school hours if:

- It's part of an approved educational activity.
- They have an emergency, medical need, or where such use is included in the student's IEP, or 504 Plan.
- They use it for language translation or family responsibilities (with permission).
- Where required by law.

Storing Devices

All internet-enabled devices must be locked in a school-provided pouch

- Kept off and stored in school lockers (not on the student) and not used from the start to the end of the school day.
[FYI – NYSED guidance provides as follows: Schools may utilize lockers as a dedicated storage method, though to be in compliance with the law, policies must be crafted to effectively prohibit the unsanctioned use of covered devices across the entire school day. Allowing continuous and unsupervised student access to covered devices when stored in a locker would not meet the law's objective of prohibiting unsanctioned use across the school day and school grounds]

Need to Reach Your Child?

Please call the school's main office. Students may not use their internet-enabled devices phones during the day to call or text home.

What Happens If Students Break the Rules?

- 1st Time: Warning and family contact
- 2nd Time: Phone taken - only a parent can pick it up
- Ongoing Issues: Further consequences to be determined - case by case

We thank you for helping us create a learning environment that puts students first. Questions? Contact your campus office or email us at officeps@hccs-nys.org for Park Slope or officesi@hccs-nys.org for Staten Island.

Together, we're keeping our schools distraction-free and focused on success!

Parent/Teacher Association (PTA)

The HCCS PTA is a vital part of our school program, and we encourage all parents to become ACTIVE members. A successful school needs the services and support of the PTA. Meetings will be held from September through June, alternating monthly between morning and evening meetings.

Parent Volunteers

Our parents have several opportunities to volunteer during the school day. If you are interested in volunteering for any of these events, please contact our PTA President, Joanna Tsatis at ptaps@hccs-nys.org. Below are a few events where we welcome parent volunteers:

*snack sales * Fall & Spring Scholastics Book Sales * Pumpkin Patch
* Art Exhibitions *Mother's Day Plant Sale * Middle School Dances
* Movie Nights * and more!

Academic Performance Levels

The New York State Education Department has adopted and changed the language to describe students at the difference performance levels. Please familiar yourself with this language to better understand the meaning behind your child's level.

Level 4 - Student **excels** in NGLS * for this grade level (*Averages: 90% - 100%*)
Level 3 – Student is **proficient** in NGLS * for this grade level (*Averages 89% - 75%*)
Level 2 – Student is **partially proficient** in NGLS * for this grade level (partial but insufficient) (*Averages 74% -65%*)
Level 1- Student is **well below proficient** in standards in this grade level (*Averages 0% -64%*)

Promotional Criteria

The Hellenic Classical Charter School standards are held to specific promotion criteria for attendance, comprehensive classroom assessments, which include work samples, anecdotes, benchmark assessments, and teachers' assessments and observations. HCCS reserves the right to make a promotion decision when standardized test scores do not match previous student achievement as seen throughout classroom assessments. Students failing to meet any of the grade level or school expectations as defined by the criteria in the chart below are noted as "Promotion in Doubt" during the winter. At that time, families are notified in writing of possible retention. If students do not demonstrate improvement by the end of the school year, they are identified for retention for the following year. All criteria are fully included in the final decision for promotion as defined below:

Grade Levels	Attendance Rate (mandatory)	Teacher Recommendation	Benchmark Testing
K, 1, 2	95%	At grade level performance (Level 2-4)	Fox in Box Benchmark at grade level Fountas & Pinnell
3, 4, 5	95%	At grade level performance (Level 2-4)	Grade 3 & 5 -ELA and Math Grade 4- ELA, Math & Science
6, 7, 8	95%	At grade level performance (Level 2-4)	Grade 6 & 7 – ELA and Math Grade 8 – ELA, Math & Science

Academic Performance, Grading & Promotional Criteria Grades K-8

Homework is given every day, may include weekends and holidays. Homework and school official notices are to be read, checked and signed by parents /guardians each night.

Parent Involvement/Role at Home

Parents can provide very valuable assistance in the area of homework through the following:

Show an interest in your child's work by making yourself available and listening.

Encourage your child's best efforts as often as possible

Check for completion, accuracy and neatness when your child finishes an assignment

Provide a suitable **time and place** for your child to study

Check your child's work and play times so that there will be enough time for each activity

Check your child's book bag for information. Read all notices and newsletters that come home with your child

Request homework assignments for short term absences and, if possible, home instruction for extended absences

Attend parent teacher conferences and meetings when possible

Contact the school to see your child's teacher, guidance counselor or supervisor when a homework issue arises.

Take your child to the public library. It can provide resources that will enrich your child's homework assignment.

INTRODUCTION

Following in the steps of our sister school HCCS-Park Slope, HCCS-Staten Island (HCCS-SI) will implement School-Wide Positive Behavioral Interventions and Supports (SW-PBIS) which encourages staff to actively engage in processes to assess and monitor students' senses of themselves and the school climate before problematic behaviors occur. To this end, HCCS-SI will establish comprehensive, school-wide restorative practices in order to improve relationships among all members of the learning environment and improve conflict resolution and crisis management. This approach to implementing SWI-PBIS places final accountability in the hands of school leaders but spreads responsibility for implementation across the entire school staff.

In coordination with SW-PBIS and restorative practices, and in order to ensure that an environment is created where teaching and learning can flourish, HCCS-SI will implement the following discipline policy that addresses proper student behavior, maintenance of order within the school and while people are engaged in school activities, and a statement of student rights and responsibilities. School staff will ensure that parents and students are well informed of these policies both before enrollment and at the time student's sign up for entry into the charter school. As such, students will be reassured about the type of classroom environment will be maintained in the charter school.

STUDENT DISCIPLINE CODE

This code sets forth the charter school's policy regarding how students are expected to behave when participating in school activities, on and off school grounds, and how the school will respond when students fail to behave in accordance with these rules. The amount of due process a student is entitled to receive before a penalty is imposed depends on the penalty being imposed. In all cases, regardless of the penalty imposed, the charter school personnel authorized to impose the penalty must inform the student of the alleged misconduct and must investigate, to the extent necessary, the facts surrounding the alleged misconduct. All students will have an opportunity to present their version of the facts to the charter school personnel imposing the disciplinary penalty in connection with the imposition of the penalty. Where appropriate, school officials also will contact law enforcement agencies.

Students who are to be given penalties other than an oral warning, written warning or written notification to their parents are entitled to additional rights before the penalty is imposed. These additional rights are explained below.

A. DEFINITIONS

- "Short term suspension" will refer to the removal of a student from school for disciplinary reasons for a period of five or fewer days;
- "Long term suspension" will refer to the removal of a student from school for disciplinary reasons for a period of more than five days; and
- "Expulsion" will refer to the permanent removal of a student from school for disciplinary reasons.

RECORDS OF STUDENT DISCIPLINE

The charter School will maintain written records of all suspensions and expulsions.

B. SHORT-TERM SUSPENSIONS

A student who is determined to have committed any of the infractions listed below will be subject minimally to a short term suspension, unless the principal determines that an exception should be made based on the individual circumstances of the incident and the student's disciplinary record. Such student also may be subject to any of the disciplinary measures set forth in Part D of this Code, and, depending on the severity of the infraction, a long-term suspension also may be imposed and referrals to law enforcement authorities may be made.

Disciplinary Infractions:

- Attempt to assault any student or staff member.
- Vandalize school property causing minor damage.
- Endanger the physical safety of another using force or threats of force which reasonably places the victim in fear of imminent bodily injury.
- Engage in conduct which disrupts school or classroom activity or endanger or threaten to endanger the health, safety, welfare, or morals of others.

Procedures and Due Process for Short Term Suspensions

The principal may impose a short-term suspension and will follow due process procedures consistent with *Goss v. Lopez*, 419 U.S. 565 (1975). Before imposing a short-term suspension, the principal will provide notice, in writing, to the student's parents or guardian that the student may be suspended from school. The notice shall provide a description of the charges against the student and the incident for which suspension is proposed and shall inform the parents or guardian of the right to request an immediate informal conference with the principal. Such notice and opportunity for an informal conference will take place prior to the suspension of the student unless the student's presence in the school poses a continuing danger to persons or property or an ongoing threat of disruption to the academic process, in which case the notice and opportunity for an informal conference will take place as soon as possible after the suspension as is reasonably practicable. The principal's decision to impose a short-term suspension may be challenged by the parent(s) or guardian in accordance with the charter school's complaint process, pursuant to Education Law 2855(4).

C. LONG-TERM SUSPENSIONS

A student who is determined to have committed any of the infractions listed below will be subject minimally to a long-term suspension, unless the principal determines that an exception should be made based on the circumstances of the incident and the student's disciplinary record. Such student may also be subject to any of the disciplinary measures set forth in Part D, to referral to law enforcement authorities, and/or to expulsion.

Disciplinary Infractions

- Possess, use, attempt to use, or transfer any firearm, knife, razor blade, explosive, mace, tear gas, or other dangerous object of no reasonable use to the student at school.
- Commit or attempt to commit arson on school property.
- Possess, sell, distribute or use any alcoholic beverage, controlled substance, or marijuana on school property or at school events.
- Assault any other student or staff member.
- Intentionally cause physical injury to another person, except when student's actions are reasonably necessary to protect himself or herself from injury.
- Vandalize school property causing major damage.
- Commit any act which school officials found offensive.
- Federal and State law require the expulsion from school for a period of not less than one year of a student who is determined to have brought a firearm to the school, or to have possessed a firearm at school, except that the principal may modify such expulsion requirement for a student on a case-by-case basis, if such modification is in writing, in accordance with the Federal Gun-Free Schools Act of 1994 (amended). The principal will refer a student under the age of sixteen who has been determined to have bought a weapon or firearm to school to a presentment except a student fourteen or fifteen years of age who qualifies for juvenile offender status under Criminal Procedure Law 1.20(42), who has been determined to have brought a weapon or firearm to school to the appropriate law enforcement officials.

Procedures and Due Process for Long-Term Suspensions/Expulsion

When the principal determines that a long-term suspension may be warranted, she shall give reasonable notice to the student and the student's parents or guardian of their right to a formal suspension hearing. In extreme circumstances, the principal may expel the student from school. Notice and a hearing must be completed prior to the imposition of a long-term suspension or expulsion. Such notice shall include that, at the hearing, the student shall have the right to be represented by counsel, the right to question witnesses against him or her and the right to present witnesses and other evidence on his or her behalf. The principal shall personally hear and determine the proceeding or may, in her discretion, designate a hearing officer to conduct the hearing. A record of the hearing shall be maintained, but no stenographic transcript shall be required. A tape recording shall be deemed a satisfactory record. The hearing officer shall make findings of fact and conclusions as to guilt or innocence and identify the appropriate measure of discipline, if any, to be imposed. Upon conclusion of the hearing, the principal shall provide the parents or guardian of the student with her final written decision. The principal's decision to impose a long-term suspension or expulsion may be challenged by the parent(s) or guardian in accordance with the charter school's complaint process, pursuant to Education Law 2855(4).

D. ADDITIONAL DISCIPLINARY MEASURES

The disciplinary measures listed below may be imposed in addition to short-term or long-term suspensions or, if an exception has been made by the principal to the imposition of a minimum suspension, in place of such suspension. In-school suspensions and suspensions of transportation may be imposed only by the principal. All other disciplinary measures may be imposed by the principal or a teacher, who must inform the principal of such action within a reasonable time.

Behavioral Contract
Detention
Loss of School Privileges
In-School Short-Term Suspension
Suspension from School Transportation

E. PROVISION OF SERVICES DURING REMOVAL

The charter school will ensure that alternative educational services are provided to a child who has been suspended or removed to help that child progress in the school's general curriculum. For a student who has been suspended, alternative instruction will be provided to the extent required by law and as consistent with the practice of the surrounding school districts during the period of suspension; for a student who has been expelled, alternative instruction will be provided in like manner until the student enrolls in another school or until the end of the school year, whichever comes first. Alternative instruction will be provided to students suspended or expelled in a way that best suits the needs of the student and the school on a case-by-case basis. Instruction for such students will be sufficient to enable the student to make adequate academic progress, and will provide them the opportunity to complete the assignments, learn the curriculum and participate in assessments. Instruction will take place in one of the following locations: the child's home, a contracted facility (e.g., in the school district of location), or a suspension room at the charter school. Instruction will be provided by one or more of the following individuals in consultation with student's teacher(s): teacher aides or trained volunteers, individuals within a contracted facility, a tutor hired for his purpose.

F. DISCIPLINARY PROCEDURES FOR STUDENTS WITH DISABILITIES

In addition to the discipline procedures applicable to all students, the following procedures are applicable to students with disabilities. [A student not specifically identified as having a disability but whose school district of residence or charter school, prior to the behavior which is the subject of the disciplinary action, has a basis of knowledge in accordance with 34 CFR §300.527(b) –that a disability exists may request to be disciplined in accordance with these provisions.] Students who have been presumed to have a disability for discipline purposes will be afforded the rights and protection of IDEA when such students are subject to disciplinary actions. The Charter School will comply with sections 300.519-529 of the Code of Federal Regulations (CFR) and the following procedures, except that in the event the following procedures are inconsistent with federal law and regulations, such federal law and regulations will govern. The Charter School will maintain written records of all suspensions and expulsions of students with a disability including the name of the student, a description of the behavior engaged in, the disciplinary action taken, and a record of the number of days student has been suspended or removed for disciplinary reasons.

Students for whom the Individualized Educational Plan (IEP) includes a Behavior Intervention Plan (BIP) will be disciplined in accordance with the BIP. If the BIP appears not ineffective or if there is a concern for health and safety of the student or others if the BIP is followed, the matter will be immediately referred to the Committee on Special Education (CSE) of the student's district of residence for consideration of a change in the guidelines. A behavior intervention plan, when developed, will include a description of the behavior, hypotheses as to why the problem behavior occurs and intervention strategies. A student's IEP may also include goals and objectives related to the student's behavior. If a student identified as having a disability is suspended during the course of the year for a total of eight days, such student will immediately be referred to the CSE of the students' district of residence for reconsideration of the student's placement. The CSE of the student's district of residence is expected to follow its ordinary policies with respect to parental notification and involvement.

Provision of Services During Removal

Those students removed for a period fewer than ten days will receive all classroom assignments and a schedule to complete such assignments during the time of his or her suspension. Provisions will be made to permit a suspended student to make up assignments or tests missed as a result of such suspension. The school also will provide additional alternative instruction during the first ten days of suspension and by appropriate means to assist the student, so that the student is given full opportunity to complete assignments and master curriculum, including additional instructions, phone assistance, computer instruction and/or home visits and one-on-one tutoring.

During any subsequent removal that combined with previous removals equals ten or more school days during the year, but does not constitute a change in placement, services must be provided to the extent determined necessary to enable the child to appropriately progress in the general curriculum and in achieving the goals of his or her IEP. During any removal for drug or weapon offenses [pursuant to 34 CFR §300.520(a) (2)] services will be provided to the extent necessary to enable the child to appropriately progress in the general curriculum and in achieving the goals of his or her IEP.

CSE Meetings: Meetings of the CSE of the student's district of residence to either develop a behavioral assessment plan or, if the child has one, to review such plan are required when: (1) the child is first removed from his or her current placement for more than ten school days in a school year; and (2) when commencing a removal which constitutes a change in placement.

Subsequently, if other removals occur which do not constitute a change in placement, the school will work with the CSE of the student's district of residence to review the child's assessment plan and its implementation to determine if modifications are necessary. If

one or more members of the CSE of the student's district of residence believe that modifications are needed, then the CSE is expected to meet to modify the plan and/or its implementation.

Due Process

If discipline which would constitute a change in placement is contemplated for any student, the following steps will be taken: (1) not later than the date on which the decision to take such action is made, the parents of the student with a disability will be notified of that decision and provided the procedural safeguards notice described in 34 CFR §300.504; and (2) immediately, if possible, but in no case later than ten school days after the date on which such decision is made, the CSE of the student's district of residence and other qualified personnel will meet and review the relationship between the child's disability and the behavior subject to the disciplinary action. If, upon review, it is determined that the child's behavior was not a manifestation of his or her disability, then the child may be disciplined in the same manner as a child without a disability, except as provide in 34 CFR §300.121(d), which relates to the provision of services to students with disabilities during periods of removal. Parent Appeal Process: Parents may request a hearing to challenge the manifestation determination. Except as provided below, the child will remain in his or her current educational placement pending the determination of the hearing.
