**COVID-19 TRAVEL POLICY
2022-2023**

(Updated August 31, 2022)

HCCS has implemented the following travel policy covering all HCCS Faculty, Staff, and students.

If you have traveled internationally or domestically outside of the contiguous states (defined as “New Jersey, Connecticut, Pennsylvania, Massachusetts and Vermont”, you must comply with the following requirements:

- Either:
 - Take a COVID-19 viral test (NAAT or rapid-test) on the day you return from travel; and
 - monitor for symptoms; and
 - Present a negative test result to return to school on the fourth day.
- These requirements do not apply if you recovered from a documented COVID-19 infection within the past 90 days (regardless of vaccination status). If you develop COVID-19 symptoms after travel, isolate and consult with a healthcare provider for testing recommendations.

Please be advised that remote instruction **will not** be offered.

If you have traveled domestically outside of New York but within the contiguous states, the above protocols are recommended but not required.

If you have any questions or concerns please email HCCS’s Chief of Operations, Joy.Petrakos@hccs-nys.org,
